

## **CSC 107 Linux Lab**

### **Instructions for uploading the assignment solutions:**

1. Mention your roll number and activity i.e Assignment series number in your solution file
2. Kindly mention your Batch number (Batch 1/2).
3. Kindly mention the question number clearly.
4. Copy only the command. Do not include any screenshots of the command or output.
5. Leave the question number blank if you do not know the answer.
6. Write the answers in the same sequence as that of questions. Do not shuffle the sequence of the solutions.
7. Name your file in the format <Roll No>\_<Assignment\_version>. Upload the txt file only.

For example, assume your roll no is 2080 and you are from Batch II and below are the given questions

1. Write a command to display today's date
2. Write a command to execute last command
3. Write a command to list the files

Your Solution document should be as shown below.

File name: 2080\_assignment\_1.1.txt

CSC 107 Linux Lab

Roll No: 2080
